Alderman Aldrich made a motion, seconded by Alderman Hertel to approve Resolution 2020-04-29-06 which amended Resolution 2020-02-26-09 regarding Chapter 3 of the Code of Ordinances of the Village of Briarcliff, Texas. All in favor, motion passed.

Mayor Hostetler gave an update about ongoing activities:

Our resolution to the LCRA for expanding our buoy permit area along the entire stretch of Briarcliff apparently has been approved although we have no paperwork yet. We're working with them about how many buoys will have to be replaced but I don't expect too many since we've cut down the number due to cost.

Oak Wilt: Two letters sent to homeowners. First one to people within 300' of the oak wilt center. Second one to people that are intimately involved. I'll continue to pursue this, knocking on doors if necessary. We have two households that we're having trouble reaching. The owner of the oak wilt center has already had their trees treated. I'll keep the Council up to date with pertinent information as it occurs.

There have been two deaths in Briarcliff over the past two weeks. The first one was a confirmed suicide, the second one is an apparent suicide but not confirmed so please don't spread the word too much on the second one.

Mayor Hostetler read the Constables Security Report:

61 Community Contacts, 1 Collision, 2 Close Patrols, 1 Ordinance Violation and 10 Assist Other Agents.
