Mayor Hostetler gave an update regarding ongoing activities:

We only had three people sign up for the May election for Village Aldermen so the election will be cancelled.

Linda and I met with the BPOA Architectural Committee last week to discuss how to handle the several lots that builders begin then don't continue to build. We've sent several letters to builders recently explaining our recourse to rectify the situation.

I bought new Oak Trimming signs to be installed soon around the community. Also, we've stamped "Oak trimming prohibited in Briarcliff" on about 900 envelopes that the BPOA will send out for their elections.

Linda and I are also trying to find information about the Vizcaya and Holmes Ranch development. We're trying to keep from getting blind sided like almost happened during the past Holmes Ranch debacle.
