I believe it is important to the Village that Ebikes are addressed. I am 100% in favor of youth riding their Ebikes as long as the Texas laws are adhered to. The Village has only one item to grant, where the Ebikes are ridden. The age and MPH are Texas laws. Anyone under 15 can ride an Ebike which is governed to 20 mph. Anyone 15 and older can ride an Ebike governed to 25 (speed limit of Briarcliff). Currently, this is not being enforced by the Constable on duty.

Thank you for your email. This is a Village of Briarcliff matter the BPOA has reported many times to the Village, as the BPOA does not have the authority to enforce laws. There is a Village Town Hall scheduled for this Thursday (details below). We encourage you to attend to share your input.

## Village Town Hall Notice

**Subject:** Ebikes on Dam

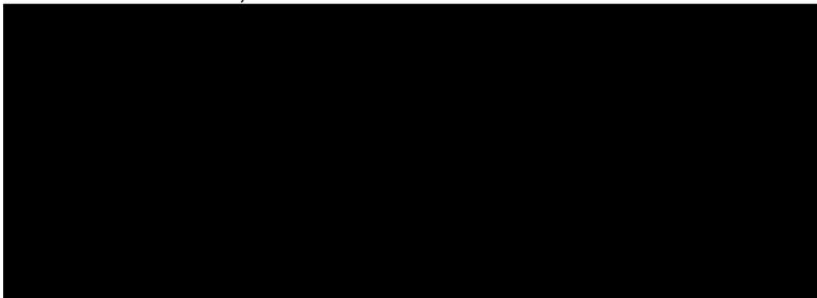

These were taken Friday. Ebikes continue to be ridden on the dam and trail. The constable could easily take a print of the tracks and match it to the bikes. Only 2 bikes I have seen with these wide tires. I am still not sure why the constable is not enforcing Texas law. The law clearly states that anyone under 15 can ride an Ebike that does not exceed 20 mph. Anyone 15 and older can ride one that does not exceed 28 mph (or 25 mph in Briarcliff).

The constable should be stopping all the Ebikes to verify that governors (speed limiters) are on each bike. All the Ebikes that I see far exceed 25 mph.

I am in favor of the kids riding Ebikes, but they must comply with Texas law.
